Profile

Enthusiastic and detail-oriented Computer Science professional with a solid foundation in software development, programming, and web technologies. Passionate about building functional digital solutions, writing clean code, and eager to contribute technical skills to a dynamic engineering team.

Skills

– TECHNICAL SKILLS

Python, Django, SQLite HTML5, CSS3, JavaScript, Git & GitHub

Work Experience

05/2026 – present
Siddharth Nagar, India

Web Developer (Academic Project)

HemoCampus (Blood Bank Management System)

• **Tech Stack:** Python, Django, SQLite, HTML5, CSS3, JavaScript, Git & GitHub.
• Developed a web-based blood bank management system to manage donor records, blood inventory, and hospital requests with complete CRUD functionality.
• Implemented secure user authentication and designed a clean, responsive user interface.

Education

08/2024 – present
Siddharth Nagar, India

Computer Science & Engineering | Diploma in Computer Science

Mahamaya Polytechnic of Information Technology Bansi Siddharth Nagar

- **Core Coursework:** Data Structures & Algorithms, Object-Oriented Programming (Python), Database Management Systems (DBMS / SQLite), Web Development, and Software Engineering.
- **Technical Focus:** Hands-on experience with frontend and backend development using HTML5, CSS3, JavaScript, Python, and Django frameworks.
- **Practical Implementation:** Built full-stack web applications implementing user authentication, responsive design, relational database schemas, and complete CRUD operations.
- **Development Tools:** Proficient in version control workflows using Git and GitHub for code management and project tracking.

03/2021 – 04/2023
Kushinagar, India

Science (PCB) | Intermediate (Class XII)

LMIC Janki Nagar Seorahi Tamkuhi Raj, Kushinagar
